How to Redeem your MV Discount Code

Having trouble redeeming your redemption code because you are shopping from a country other than the UK? Follow these steps in order to redeem your code!

Step 1: Add your desired product to your shopping cart, like normal. **Step 2:** Apply your discount code to your item in the shopping cart.

	and the same a second second	of the states of

Step 4: It may still show a shipping fee at this point, if it does please enter the free shipping code: **MVINSIDER1-DEL**

Step 5: Once you are ready to complete your purchase, click CHECKOUT NOW and complete

the checkout process like normal. Note: at this point, it still looks like your discount has not been applied. This is correct.

Step 6: Once you have reached the payment processing step of the checkout process, a box will appear that says "Payment Currency." The currency will be whatever country you are currently shopping from.
